Description The lawyers and other professionals of POLARIS came together to develop a new law firm with an innovative approach to providing the highest quality service at a good value. Each client has a primary, responsible attorney, but all of us, using our extensive, diverse, and varied backgrounds, skills, and approaches, contribute to all projects. This ensures that clients'™ needs are met completely and efficiently, with a human touch. Clients find us to be their favorite lawyers as well as among their good friends.
