Description

Through the use of meaningful focus, angles, and a whimsical outlook on everyday objects, images captured by Kirsty Saalfrank invoke feelings of awe and wonder and leave the viewer with a new perspective on the world they often overlook.

Her use of color, contrast, and perspective in a crisp and conceptual way, provide the audience with simple images that express a depth usually reserved for more complex subjects.

Kirsty has over 20 years of photography experience, including commercial studio work, food styling and photography, personal commissions, and has traveled the world capturing the environment with her playful spirit and zest for life.
