Description	Pirate: Contemporary Art is a member run co-operative art space dedicated to showing the latest in contemporary art. Our goal is to display the current trends in art focusing on showing the best of local artists. We provide a place for artistsâ€™s to show their work and to experiment with new ideas and concepts. It is an environment that is set up to help foster and encourage growth and development in the artists. As a non-profit, it fills the gaps left by the commercial and public sector to advocate issues such as art education, art activism, and promotion of unrepresented artists.
