Working together, Make Philanthropy Work strengthens fundraising programs for immediate and lasting results. Our approach combines time-tested strategy with the latest innovations in digital technology to bring you a custom-crafted solution to engage sophisticated donors and address ever-evolving philanthropic behavior.

We believe that our clients deserve a fundraising strategy that is crafted to fit their unique needs and challenges and one that will serve as a long-term structure for success and growth.

Description

Combining the best-proven tactics from inside and outside the fundraising world with fresh, innovative thinking allows our team to recommend and implement a custom combination of strategies to support our clients'™ long-term success.

For ten years, we have partnered with inspiring nonprofit organizations and higher-ed institutions to generate immediate and lasting fundraising growth.
